

Spa Centre Marina Cape

Bio Nature

Marina Cape Spa Centre offers medical and relaxing procedures that will tone your body and senses.

The clean sea air and the combination of sun, sea and relaxation are the basis of our Spa concept – natural bio products, therapies with seaweed and healing mud from Pomorie, herbal extracts and oils.

The products we work with combine natural, clean substances and the latest scientific achievements of the cosmetics industry.

Our choice for you:

Fleurs – unique collection of 40 natural ingredients extracted from flowers by a special procedure, used in innovative face therapies with proven lasting effect.

Cinq Mondes – combination of the best wellness and beauty rituals from the five largest regions with traditions - India, China, Japan, Siam and Morocco.

Bioline – 40 years of tradition in choosing the best high tech bio-cosmetic developments for facial and body care.

You will enjoy luxury and comfort, individual attention and professional care. You can give yourself an hour, afternoon or all day in our thermal zone, aroma massage, cleansing and relieving facial care, or a relaxing spa package.

Immerse yourself in the magic of Marina Cape Spa and rediscover your inner light that brings you health, happiness and harmony.
